Dear Parents/Caregivers

RE: Co-Curricular Costs

At John Paul College we are blessed that students have a wide range of co-curricular activities to engage in including sport, music and drama.

The staff at John Paul College and indeed parents volunteer their time and expertise freely. Notwithstanding this, there are unavoidable costs including registration which must be paid. The College cannot absorb these costs.

We strongly encourage all students at John Paul College to take up a co-curricular activity but it is important to note that students will not be able to participate until invoices are paid.

Yours sincerely
